OUR COMPANY

# ABOUT US

Pure Living is a trusted Australian health products brand under the umbrella of Australia & New Zealand Health Products Pty Ltd (ANZHPL). ANZHPL commenced trading in 2014 and is headquartered at Queen St, Melbourne.

The Pure Living brand of products offers high quality body thermometers, blood pressure monitors, masks, multifunctional massagers and other health products to thousands of pharmacies around Australia.

We firmly believe that our products are of an equal quality standard to the leading health brands - yet often sell for much less. In fact several of our products are manufactured for some international household electrical brands.

Our aim is to ensure that you achieve the greatest value by being a partner with us. You can trust the Pure Living suite of quality health products!
